This remodeled, 4-level, 3 bedroom plus "large bonus room that is being used as a bedroom", family room, 3 bath and 1-car garage Eagle-Vail Townhouse is conveniently located within easy walking distance to an Eagle County bus stop as well as close to all of the amenities that Eagle-Vail has to offer. The main level (level 3) has an open floorplan with hardwood flooring throughout the living area, dining area and kitchen. There is a fully covered large deck off the living/dining area with beautiful southern views of the mountains that is the perfect place for your morning coffee, afternoon cocktails and/or barbequing in the evening. The kitchen has updated cabinetry, granite countertops and stainless appliances, which include a gas range as well as an additional fully covered deck with northern views of the mountains. The top-level (level 4) houses the upper two bedrooms. The bedroom that offers the southern views of the mountains is being used as the master bedroom and the 2nd bedroom, which had been used as an office has views of the northern mountains. The full bathroom is accessible to both bedrooms, but connects to the master bedroom. On the 2nd level you have the 3rd bedroom with ensuite 1/4 bathroom and the 1-car garage. The lowest level (level 1) has a family room with wet bar that includes a sink, wine cooler and microwave, hardwood flooring, a 1/4 bath and the bonus room that is being used as a bedroom.
